LAND ACTIVITIES

TEAM CHALLENGES

Unleash the power of teamwork! Our challenges are carefully designed to encourage collaboration, communication, and trust among team members. We have a variety of games, activities, and problem-solving challenges suitable for all fitness levels and abilities.

ARCHERY

Will you strike gold? Test your hand-eye co-ordination with this fun sport. Archery is a great accessible team building activity that will have the team feeling like champions. When everyone is up to speed, the instructors will get a little target shooting competition going. Who will hit that all important bullseye?

PIONEERING (BRIDGE BUILDING)

This is a great team challenge, using the materials provided the teams must work together to build a bridge. Can your group build a structure to support the whole team?

SURVIVAL SKILLS

Will your team survive our woodland challenges? Light fires, filter water and build a shelter before the 'storm' comes? Our instructors can tailor the session to suit your team goals.

ORIENTEERING *

Test your map reading skills and sense of direction with one of our orienteering courses. Choose from our accessible course, Lea Heath or Countryside Park course.

***SELF LED OPTION AVAILABLE**

DISC GOLF *

Test hand-eye co-ordination, patience, and perseverance with this fun twist on golf using frisbees and baskets. This surprisingly competitive game is the ideal way for small teams to spend time together in an informal, relaxed environment. You'll soon be competing for the best score!

***SELF LED OPTION AVAILABLE**

LAND ACTIVITIES

CRATE STACKING

Reach new heights with your team to build a tower of crates as high as you can before it topples and comes crashing down. The whole team is involved in building the tower and needs to work together to support, lift and stack more crates.

LEAP OF FAITH

A chance to challenge your fears with a leap into the unknown to catch our trapeze at height!

JACOBS LADDER

Work together to help each other climb the ever-widening rungs on the ladder, you might need to climb up each other to achieve this tricky challenge!

CLIMBING & HIGH ROPES

Choose from our new indoor climbing wall or our outdoor climbing tower to test your nerve for heights!

GIANT CATAPULT

The groups knowledge and collaboration skills will be tested alongside their knowledge of ropes, knots & lashings to create and build their catapult. Then once built, can they aim and shoot to hit a target or see who can fire the furthest. This is an accessible activity suitable for participants of all abilities.

WATER ACTIVITIES

RAFT BUILDING

Work as a team to build a raft out of barrels and poles before testing your knot work as you float the raft on the lake. Can you beat your competitor team?

STAND-UP PADDLE BOARDING

Stand up and paddle on our inflatable boards, good for balance and core strength! A perfect option for team building activities aimed at strengthening work relationships and boosting morale.

GIANT PADDLE BOARDING

A great fun way to work on your teamwork and communication, with up to 8 people learning to paddle, turn and steer together on one giant paddle board.

CANOEING

Traditional Canadian style paddling with open canoes using single bladed paddles. Participants work in pairs. These slower paced craft make for calm and tranquil trips round the lake.

KAYAKING

A traditional method of paddling using double bladed paddles. We have a choice of single or double kayaks available for you to enjoy. Participants will work on their balance and group trust. These manoeuvrable craft make it easy for high octane games and races.
